Francis (Bud) Brooks, III named Director of Sales for MediVoice, LLC

January 7, 2008. White Plains, NY: MediVoice LLC announces that Francis (Bud) Brooks III has joined the company as its Director of Sales, as of December 1, 2007. Mr. Brooks has served in the managed healthcare industry for over fifteen years, working with payers, providers and PPO networks to help make healthcare more accessible and affordable for all parties. Mr. Brooks will be based in Dallas, TX, and will be responsible for managing the sales and distribution of the company's healthcare information technology services to the industry, and developing the overall growth strategy for the company. Mr. Brooks has a BS from Brown University and an MBA from Southern Methodist University.

MediVoice provides the world's first commercially available voice-activated e-healthcare solution. The company enables stakeholders in the healthcare industry to have a low-cost, rapidly deployed solution for its caregivers. Utilizing the technology of the world's leader in speech solutions, MediVoice will allow healthcare professionals to voice-activate electronic prescriptions, electronic medical records, and a wide variety of e-health services.
